CONFERENCE OVERVIEW

As our world evolves towards total digitization, the need to ensure security and respect privacy has become paramount. The Internet has allowed us to collect and store incredibly valuable data, providing both tremendous opportunity and responsibility. Never before has there been such an urgent need to have a conversation about privacy and security. The 18th Annual Privacy & Security Conference brings together global leaders and subject matter experts to discuss pressing issues and solutions for privacy and security in the digital age.

Held in Victoria, British Columbia, Canada, this event is a 'must-attend' for those working in the privacy and security sector, attracting upwards of 800 delegates each year. Presented by the Office of the CIO and Ministry of Finance, Government of British Columbia, this two-day conference is consistently recognized as one of the top-tier events in North America.

The 18th Annual Privacy & Security Conference offers delegates in-depth training, unparalleled networking opportunities, and outstanding keynote, panel, and applied sessions.

THE OPPORTUNITY FOR YOUR COMPANY

The 18th Annual Privacy & Security Conference is an opportunity for your company to share your story with colleagues, customers and potential new clients. The Conference provides the perfect stage to showcase your successes and demonstrate your solutions. This is your opportunity to share your knowledge at an event that is consistently recognized across North America for top-tier training and networking opportunities. Your participation ensures that your company will be represented as a frontrunner in the face-paced realm of privacy and security.

With the key decision makers from both private and public sector in attendance, you cannot afford to miss it!
