Conference Overview

The Project Management Institute (*Vancouver Island Chapter*) Professional Development Conference is a gathering of like-minded project management professionals and leaders and IT leaders for top-notch learning, networking, fun and demonstration of dedication to the Project Management Profession. Chartered in February 1996 with 46 founding members, the chapter was created to serve PMI members on Vancouver Island (*and the Yukon territory*), and the community of practitioners and users of project management services in those areas. The chapter continues to grow and reflect the private and public sector's increasing reliance on solid project management practices. Our **over 700** membership background is diverse with expertise spanning; government, IT, hospitality, construction, non-profit and various other sectors.
