

OIPC YOUTH PRIVACY FORUM

The OIPC wants to hear directly from youth about the privacy issues that affect them and to better understand how we can help.

SPEAKERS

Michael McEvoy,
Information and Privacy
Commissioner for British
Columbia

Christopher Wylie, data scientist
and social researcher, author of
'Mindf*ck: Cambridge Analytica
and the Plot to Break America'

MediaSmarts and the BC Civil Liberties Association will discuss privacy on social media, at school and more!

March 9 | 9:15-11:30 AM
