# Road to Recovery Unit

Burrard 5 South

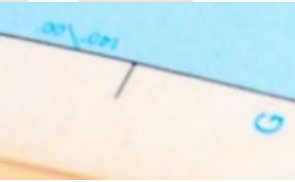

Together, St. Paul's Foundation, the BC Centre on Substance Use, Providence Health Care and the Clinical Addiction Program at St. Paul's Hospital, thank and recognize our founding donors for their leadership in creating the Road to Recovery initiative.

FOUNDING DONORS

Road to Recovery (R2R) is a first-in-Canada, made-in-BC initiative that is creating a model of care for addiction treatment, to ensure anyone who seeks help will receive it, when they need it.
